

VOLUNTEER WITH US!

Volunteers expand our capacity to provide essential resources and enrichment opportunities across District 225. We are currently recruiting for the Friends of the Foundation. Whether you can help for only a couple of hours or want to make a greater investment of time, there are numerous opportunities to help with the Friends of the Foundation. The Friends of the Foundation is a group of District 225 parents and alumni who help with various Foundation initiatives throughout the school year. There are many ways to support the Friends of the Foundation such as:

- Assisting with important day of tasks at our Annual Benefit such as event set-up, greeting and checking-in guests, ticket taking, and tear down.
- Soliciting donations from various business sponsors and individuals.
- Building relationships with Alumni in our community and participating in an Alumni homecoming event.
- Joining a committee such as Events, Fundraising, or Alumni Relations.
- And many more!

For those who want to invest in a longer term opportunity please consider applying to be on the Foundation's Board of Trustees.

Volunteer support is essential for the Glenbrook High School Foundation to promote, develop, and fund the best possible learning experiences for every District 225 student!
